

BUYING SOUTHERN GEORGIAN BAY REAL ESTATE

As a real estate Broker & Market Value Appraiser-Residential (MVA) I may be in the real estate profession but more specifically I am your **"Guide"** through the often complicated, confusing and intimidating world of Buying a home or other property. With over 20 years of experience my client's real estate needs, goals and objectives are for the most part driven by changes in their lifestyles including family, work, health, financial or other circumstances and needs.

- I will consult with you to determine what type of property best suits your needs, location, budget and other criteria upon how you wish to base your decisions.
- I will explain the various types of "Agency" & as your REALTOR® what is owed to you including the utmost care, confidentiality & loyalty.
- I will screen available properties in order to make certain the subject properties fit your budget and overall needs.
- I will guide you through property viewings showing you features you may not have seen & pointing out problems if they exist.
- I will recommend & secure expert help such as home inspectors, contractors, accountants, lawyers & others as required.

- A REALTOR® that as a result of all the above, earns your trust, respect & your business.

As a licensed Broker with **SOTHEBY'S INTERNATIONAL REALTY CANADA** my success has been derived from successfully listing & selling area properties & obtaining exceptional results for their satisfied owners.

While an innovative & aggressive marketing campaign is the utmost of importance, those initiatives will fail to sell your property if it is not priced correctly to current market conditions attracting the interest of potential Buyers. I am one of a select few that has attained and maintains my "MVA" accreditation (Market Value Appraiser - Residential).

I am dedicated to becoming your trusted advisor by combining my practical skills, knowledge & experience to ensure that you will:

- **Be Informed - with current and accurate market information.**
- **Be Conscientiously Represented- legally, ethically & confidentially.**
- **Be 100% Satisfied - with your experience.**

My ultimate goal is for your real estate BUYING experience to end successfully and with a degree of satisfaction helping YOU along the road to an Exceptional Life!
